OTHER BUSINESS ACTIVITIES

Your advisor is also a registered representative of Commonwealth's broker/dealer and makes securities recommendations to clients through Commonwealth. As a dually registered investment adviser representative and a registered representative of Commonwealth's registered investment adviser and broker/dealer, respectively, your advisor has the choice of recommending advisory (fee-based) accounts and services, commission-based accounts, or both, to any client. When your advisor acts in the capacity of a broker/dealer registered representative by recommending a commission-based account, your advisor receives transactional commissions and mutual fund and money market 12b-1 fees based upon the specific investments recommended to the client. Your advisor's ability to recommend both fee-based and commission-based accounts and services to any particular client creates a conflict of interest for your advisor because the advice or recommendations provided by your advisor in selecting fee-based or commission-based accounts and services will directly impact the type, nature, amount, and duration of the compensation your advisor will receive.

Almost all Commonwealth advisors are also licensed insurance agents. Their sale of insurance products and services are separate and unrelated to their role as your Commonwealth financial advisor. Should you choose to purchase an insurance product from your advisor, you will pay commissions for these products which are in addition to the fees you pay for financial services in their role as a Commonwealth advisor. The receipt of additional compensation creates a conflict of interest. You are under no obligation to purchase insurance products or services from our advisor. You may purchase insurance products and services from the insurance agent of your choice. Similar products and services may be available at an equal or lower cost from other sources.

In addition to the activities described above, your advisor is also engaged in the following:

1) IAR OF LAUREL FINANCIAL GROUP PROVIDING FINANCIAL PLANNING AND ASSET MANAGEMENT SERVICES. CONDUCTED AT BRANCH OFFICE, INVESTMENT RELATED. 2) Fixed insurance sales conducted under Laurel Financial Group. Investment related and conducted from branch location.

ADDITIONAL COMPENSATION

Many of the companies that provide your advisor access to their products and programs provide your advisor with opportunities to receive additional compensation in the form of marketing and business reimbursements, compensation for client referrals, business development support, payment for travel-related costs and expenses for attending business meetings and conferences, and various forms of gifts and entertainment. Information regarding the compensation paid to your advisor in relation to the products or programs you purchase or use, and their associated conflicts, is generally disclosed in the respective product prospectuses, statements of additional information, product offering documents, client agreements, advisory program brochures, and Commonwealth's Form ADV Part 2A brochure.

Commonwealth offers your advisor one or more forms of financial benefits based on your advisor's gross revenue production and total assets under management held at Commonwealth or in Commonwealth's own PPS Program accounts, as well as financial assistance for transitioning from another firm to Commonwealth. Your advisor has the opportunity to receive forgivable or unforgeable loans, enhanced payouts, and discounts,

waivers, or credits on transaction, platform, and account fees; technology fees; research package fees, financial planning software fees; administrative fees; brokerage account fees; account transfer fees; and the costs of attending conferences and events. Your advisor also has the opportunity to receive awards and attend certain paid Commonwealth “top producer” trips and entertainment based upon your advisor’s total gross revenue production with Commonwealth. These enhanced payouts, discounts, trips, entertainment, and other forms of compensation that your advisor has the opportunity to receive from Commonwealth provide a financial incentive for your advisor to select Commonwealth as broker/dealer or investment adviser for your accounts or to use certain Commonwealth PPS programs over other programs available through Commonwealth or at other firms that do not provide additional compensation.

SUPERVISION

Commonwealth’s system for supervision of its advisors centers on delegating functions to registered principals located in registered branch office locations throughout the country, as well as to registered principals in Commonwealth’s home offices in San Diego, California, and Waltham, Massachusetts. These supervisory principals are responsible for ensuring that all of Commonwealth’s advisors are in compliance with applicable SEC and state rules and regulations, as well as with Commonwealth’s own policies and procedures. Together, Commonwealth’s supervisory principals collectively perform a myriad of supervisory functions on a regular basis to supervise Commonwealth’s advisors, including, but not limited to, all of the following:

- | General Supervision of investment advisory activities;
- | Review and approval of new account applications and investment advisory client profiles;
- | Review and approval of securities transactions in light of each client’s stated investment objectives, experience, and financial condition;
- | Review of various exception and surveillance reports on an ongoing basis relating to investment adviser activities;
- | Review of general transactional activity in client accounts on a periodic basis;
