## **OTHER BUSINESS ACTIVITIES**

In addition to offering investment advisory services through Laurel Financial Group, your advisor is also registered as an investment adviser representative of Commonwealth Financial Network. As your advisor's broker/dealer, Commonwealth provides brokerage execution services for the accounts of his advisory clients. Your advisor makes securities recommendations to clients (or, in the case of discretionary services, makes investment decisions for clients) regarding Commonwealth's investment advisory programs. Where permitted by law, your advisor may receive mutual fund 12b-1 fees, service fees, due diligence fees, marketing reimbursements, or other payments relating to your investment(s) in or otherwise supporting your advisor's activities regarding the securities and insurance products recommended, purchased, or held in your investment advisory program.

In addition to services rendered as an investment adviser representative of Laurel Financial Group and/or Commonwealth Financial Network, Ralph is also a registered representative of Commonwealth Financial Network and a licensed independent insurance agent which permits him to offer securities and insurance products on a commission basis.

## **ADDITIONAL COMPENSATION**

Your advisor receives an economic benefit from persons other than clients for providing advisory services.

Many of the companies that provide your advisor access to their products and programs provide your advisor with opportunities to receive additional compensation in the form of marketing and business reimbursements, compensation for client referrals, business development support, payment for travel-related costs and expenses for attending business meetings and conferences, and various forms of gifts and entertainment. Information regarding

the compensation paid to your advisor in relation to the products or programs you purchase or use, and their associated conflicts, is generally disclosed in the respective product prospectuses, statements of additional information, product offering documents, client agreements, advisory program brochures, and Laurel Financial Group Form ADV Part 2A brochure.

Commonwealth offers your advisor one or more forms of financial benefits based on your advisor's gross revenue production and total assets under management held at Commonwealth. Your advisor can receive enhanced payouts, and discounts, waivers, or credits on transaction, platform, and account fees; technology fees; research package fees, financial planning software fees; administrative fees; brokerage account fees; account transfer fees; and the costs of attending conferences and events. Your advisor also can receive awards and attend certain paid Commonwealth "top producer" trips and entertainment based upon your advisor's total gross revenue production with Commonwealth. These enhanced payouts, discounts, trips, entertainment, and other forms of compensation that your advisor can receive from Commonwealth provide a financial incentive for your advisor to select Commonwealth as broker/dealer or investment adviser for your account.
